QUEST

HOW IT WORKS

In ancient mythology - a quest is a journey or trail in which the heroes - beat baddies - overcome adversity and find the golden fleece, the holy grail, the hidden city..etc Well our Quest treasure hunts are slightly different (in that we are currently out of winged horses, 7 headed serpents, talking trees and lost cities made of solid gold (we are working on that one!)

The Quest Challenge is, however, **a fun event scavenger trail / treasure hunt** which can be run in absolutely any location (we have a great many already set both in the UK and overseas)

Armed with Kit bags containing cameras, clue sheets, maps, riddles... and all sorts of specialist equipment - teams must solve problems, find clues , take photos, shoot video, record music, collect tokens and resolve map locations .

Versions are available in cars, on foot, using public transport, on bikes , horses, boats, planes - in fact you are only limited by your imagination (oh and your budget...ahem!)

THEMED QUESTS

As well as our generic Quest challenge - We have a number of speciality quest treasure hunts which are set around unique themes. These include:.....

Antiques Road-show / Rock N Roll / Christmas / Dragons Den / Jack The Ripper / Fashionistas / Master Chef .....and of course if you have an idea for a new one - let us know and we'll develop it for you.
